# Remote River Expeditions ~Madagascar

**We invite you to join us on a custom itinerary highlighting a variety of areas visited during the filming of the new IMAX® 3D documentary.**

## Island of Lemurs: Madagascar

**IMAX® 3D & Warner Bros ~ Documentary**

**Narrator:** Morgan Freeman

**Release:** April 4, 2014

**November 2012:** RRE provided logistical assistance and catering during the filming in Morondava and at the Avenue of the Baobabs. We enjoyed meeting the crew and had a great time working together. We wish all great success with this and future projects.

*Island of Lemurs: Madagascar reunites Freeman with Drew Fellman, who also wrote and produced the 2011 Imax documentary Born to Be Wild 3D, and director David Douglas, who served as director of photography on that film.*

*Academy Award® winner **Morgan Freeman** ("Million Dollar Baby") narrates the documentary about the incredible true story of nature's greatest explorers—lemurs.*

**Director:** **David Douglas**
**Writer:** **Drew Fellman**
**Narrator:** **Morgan Freeman**

*Captured with **IMAX® 3D** cameras, "Island of Lemurs: Madagascar" takes audiences on a spectacular journey to the remote and wondrous world of Madagascar.*

*Lemurs arrived there as castaways millions of years ago and evolved into hundreds of diverse species but are now highly endangered.*
